General Ernst von Mellenthin
Washington, D. C.

Dear General Mellenthin:

Just a note to tell you how much I enjoyed your talk last Friday evening. The campaigns on the Eastern front covered a period of great historical and military interest and it was most enlightening to hear the views of one who participated in them in a responsible role. I particularly appreciated the forthright manner with which you responded to questions asked you after you had read your paper.

Sincerely,

G. F. Cabell
